# CASK ALE

## ONE OF LIFE'S GREATEST PLEASURES

Nicholson's is passionate about cask ale. To the purists, this remarkable cask-conditioned beer, or 'real' ale, is one of life's greatest pleasures; a fresh, live and fruity beer that's pumped straight from the barrel into the glass and lightly prickles the palate. It's always something to savour – and Nicholson's range of the finest quality ales is full of exciting flavours to suit every taste.

### NICHOLSON'S PALE ALE

Nicholson's Pale Ale is now as much a part of our pubs as the buildings themselves. Brewed in collaboration with St Austell Brewery, in Cornwall, our classic cask-conditioned English pale ale is brewed using Cornish Maris Otter malts and a hand-picked blend of English and imported hop varieties.

### ALES FOR ALL SEASONS

While NPA can always be found on our handpulls – whatever time of the year – we pride ourselves on having an array of cask ales available on our bars to suite the seasons. So whether you enjoy dark, chocolately porters in the winter or crisp, hop-laden IPAs in the summer, the Nicholson's bar is the only place to taste real seasonality.
