

DRINKS

William Nicholson, our founder, opened his first pub in 1873. Today we're proud to continue his legacy. Inside each iconic pub you'll find warm hospitality and the most exquisite gins, whiskies, cask ales and fine wines.

CASK ALE

ONE OF LIFE'S GREATEST PLEASURES

Nicholson's is passionate about cask ale. To the purists, this remarkable cask-conditioned beer, or 'real' ale, is one of life's greatest pleasures; a fresh, live and fruity beer that's pumped straight from the barrel into the glass and lightly prickles the palate. It's always something to savour – and Nicholson's range of the finest quality ales is full of exciting flavours to suit every taste.

NICHOLSON'S PALE ALE

Nicholson's Pale Ale is now as much a part of our pubs as the buildings themselves. Brewed in collaboration with St Austell Brewery, in Cornwall, our classic cask-conditioned English pale ale is brewed using Cornish Maris Otter malts and a hand-picked blend of English and imported hop varieties.

ALES FOR ALL SEASONS

While NPA can always be found on our handpulls – whatever time of the year – we pride ourselves on having an array of cask ales available on our bars to suite the seasons. So whether you enjoy dark, chocolately porters in the winter or crisp, hop-laden IPAs in the summer, the Nicholson's bar is the only place to taste real seasonality.
